SUMMARY

Full- stack web developer with a background in Medical, which has instilled strengths in meeting deadlines, organization, creativity, learning quickly on the job, and communication with teamwork. Recently earned a certificate from the University of Arizona through a coding bootcamp, with newly developed skills in HTML, CSS, JavaScript, React.js, MySQL, and responsive web design. My abilities to communicate along with my leadership skills, makes me a valuable addition to any team. Passionate about developing responsive websites that haven't been seen before for potential clients.
